FTA Releases Fiscal Year 2013 Apportionment Notice

Today, the Federal Transit Administration (FTA) released its Fiscal Year (FY) 2013 apportionment notice. The notice includes partial-year apportionments, as the Federal government is currently operating under a six-month continuing resolution that expires on March 27, 2013. However, unlike past notices, it also provides extensive substantive guidance on implementation of new and revised transit programs under MAP-21 and the treatment of funds appropriated and allocated prior to FY 2013.

The notice will not be published in the Federal Register or on the FTA website until October 16, but you will find a copy of the notice [here](#).

For questions on these issues, please contact Brian Tynan of APTA's Government Affairs Department at (202) 496-4897, or btynan@apta.com.
