Business IT Optimization

The Melding of Relationships, Organization and Strategy

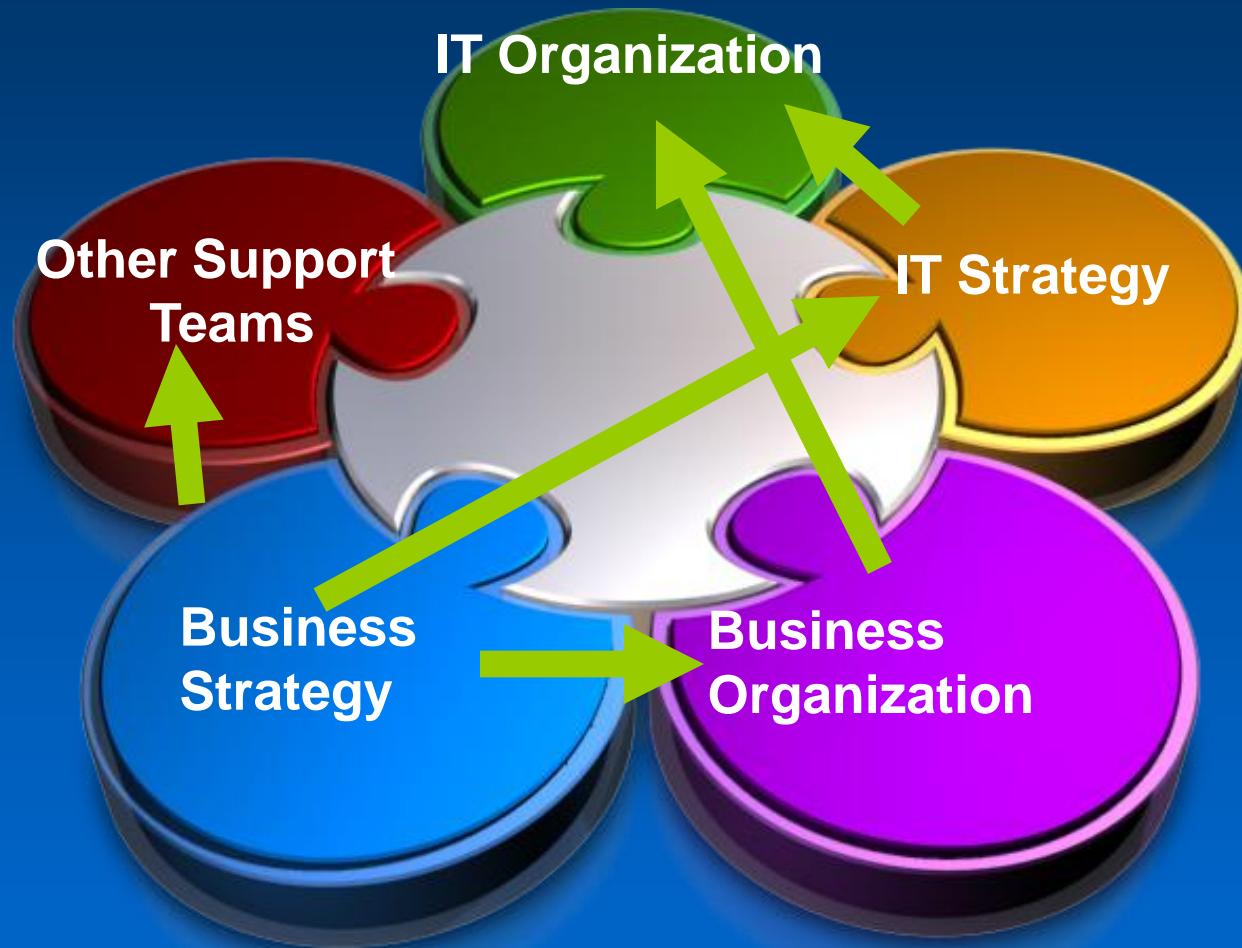

Business IT Strategy

- **Mission - Business purpose**
- **Vision - View of future**
- **Goals - How to achieve mission**
- **Success Factors - What are they**
- **Measurements - What's finished look like**
- **Make it Happen - Business tactical plan**

Business IT Organization

Business IT Relationship

- Is this what you would have if you started over?
- Would your peers seek to copy you?
- Is this the relationship you need ?

Published **Gap** Analysis
