Subject: BusTime Indemnity

Dear Mr. Walker,

This letter serves as notification that WMATA will not be infringing on any ArivalStar patents from the implementation of the Clever Devices BusTime solution.

Clever Devices has in place an exclusive agreement with ArivalStar that allows unlimited rights to all ArivalStar patents both present and future. In addition Clever Devices indemnifies WMATA from any associated infringement that would be a result of any present deployment or future BusTime deployment.

If you have any further questions please do not hesitate to contact me @ 516 433-6100 ext 107.

Very truly yours,
