

# Social and Community Responsibility

**Gary Lawrence**

*AECOM, VP and Chief  
Sustainability Officer*

*New York, NY*

**2012 SUSTAINABILITY AND PUBLIC  
TRANSPORTATION WORKSHOP**

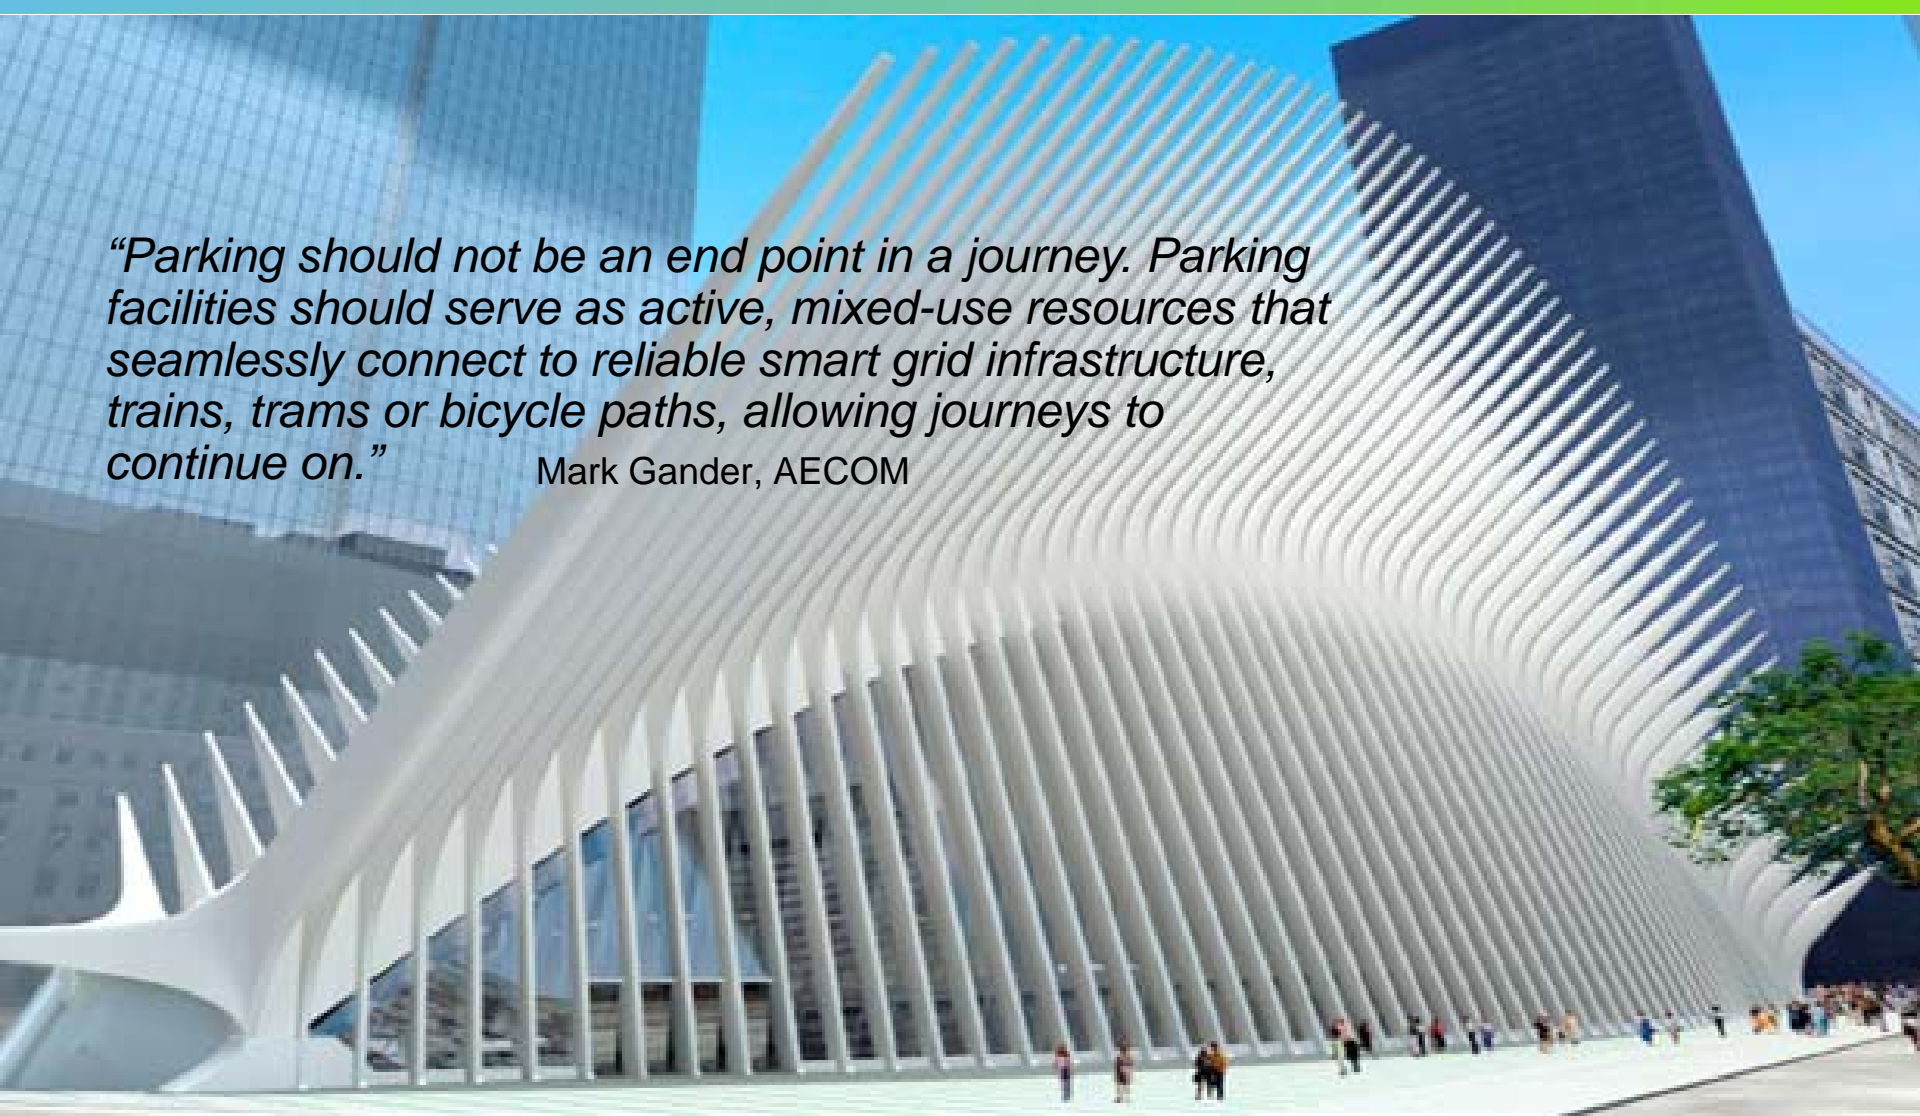

# Adapting Transit for Accessibility

# Parking as a Portal to the Journey

*“Parking should not be an end point in a journey. Parking facilities should serve as active, mixed-use resources that seamlessly connect to reliable smart grid infrastructure, trains, trams or bicycle paths, allowing journeys to continue on.”*

Mark Gander, AECOM

World Trade Center Transportation Hub, New York

# Transportation and Disaster Resilience
