Subject: Buy America Waiver Withdrawn

Good Afternoon Vince,

In light of the recent memo released by FHWA dated July 11, 2013, issuing a temporary transition period for non-federally funded utility relocations, Caltrans would like to withdraw the waiver request submitted to your attention on June 27, 2013 titled the "Cordelia I-80/I-680/State Route (SR) 12 Project".

Please do not hesitate to contact me should you have any questions or concerns regarding this request. Thank you.
