of Waco Transit

DASH (Downtown Area Shuttle)

Special Events

The BU Tailgater 2009

The free shuttle begins two hours before the game and runs approximately every 15 minutes. The tailgater can be boarded at Wreck's, Heritage Square and across from Heritage Quarters and will drop off at Tack Down Alley.

Baylor fans can help avoid the traffic congestion and parking fees by hopping aboard the BU Tailgater for each of the Bears home games.

Enjoy dinner at one of Waco's finest restaurants along the route before taking a cabfare ride to Floyd Casey stadium.

We'll get you there and back, all you have to do is cheer on the bears!

For more information please contact Waco Transit System at 750-1900.
