Re: Transit Board Members Seminar & Board Support Employee  
Development Workshop, July 17 - 20, 2010, Eugene, OR

Dear Colleague:

I welcome and invite board members and board support staff to attend the upcoming American Public Transportation Association's (APTA) Transit Board Members Seminar and Board Support Employee Development Workshop July 17 - 20, in Eugene, OR, at the Hilton.

The program features topics to help you learn more about public transportation and leadership trends. For board members, sessions focus on environmental programs and linking transportation facilities with the community. In addition, there are breakout sessions for open discussions and a professional development session on communication. The National Transit Institute is offering a course on procurement that is tailored for board members. You'll hear how transit systems have become involved in APTA Chair Mattie "M.P." Carter's signature initiative, "Telling Our Story."

For support staff, the emphasis is on developing leadership skills and sharing policy and procedural information. For all, the Eno Transportation Foundation will offer a session on board and support roles and working relationships.

The highly interactive sessions will provide unique forums to learn from one another; participate and help guide the discussions. It is an excellent program; and we hope you find the speakers engaging and challenging.

The preliminary program, registration, hotel, and travel discount information are posted at [www.apta.com](http://www.apta.com), meetings & conferences. For registration questions, please contact Heather Rachels of APTA's Meetings Department at 202-496-4838 or email [hrachels@apta.com](mailto:hrachels@apta.com). For program content, please contact Lynne Morsen of APTA's Program Management and Educational Services Department at 202-496-4853 or email [lmorsen@apta.com](mailto:lmorsen@apta.com).

Sincerely yours,

William Millar  
President
