

Mr. Daniel Rowe

Senior Transportation Planner
King County Metro Transit Division / Department of
Transportation
Seattle, WA

Daniel Rowe is a Senior Transportation Planner at King County Metro Transit where he leads the Connecting to Transit team focused on developing policies, tools, and programs to improve access to transit.

Daniel is overseeing multiple new initiatives including management and expansion of bike and car parking throughout the region, implementation of new safe and convenient non-motorized connections to transit centers, and development of innovative service partnerships with private shared mobility providers.

Daniel has a Master of Urban Planning degree from the University of Washington and a Bachelors degree in Environmental Science from the University of Pittsburgh.
