

# PUBLIC TRANSIT INDUSTRY AND ADVOCATES TO

# #Rally4Transit!

APTA is sending a call to action to its members, EXPO attendees, and Voices for Public Transit advocates. We are gearing up to #Rally4Transit to tell Congress to fully fund public transportation and include it in any proposed infrastructure investment initiative. Here are three ways you can participate!

1

**Make a Boom on Social Media:** Participate in our #Rally4Transit Thunderclap! It's easy to participate; all you need is a Facebook or Twitter account. Visit the Thunderclap link at <http://bit.ly/R4TThunderclap> and sign up in advance of the #Rally4Transit! On October 10 at 12pm, Twitter and Facebook will post the same message on each of our Facebook and Twitter pages at the same time, using the hashtag #Rally4Transit.

2

**Add Your Name:** Sign the Change.org petition, "Rally4Transit: Congress Must Re-Commit to Public Transportation." Visit the Change.org petition at <http://bit.ly/R4TChange> to add your name to our petition and call on lawmakers to renew their historic commitment to public transit funding.

3

**Contact Your Legislator on Rally Day:** Starting immediately after the Thunderclap on October 10, and throughout the EXPO until October 11, you can contact your legislator to make your support for public transit heard. Visit <http://bit.ly/R4TFastAction> to send a letter to your legislator and tell Congress to recommit to public transit funding!

We're hoping to make public transit the biggest topic of conversation online and in Washington, D.C., for one day on October 10 and continue this drumbeat throughout the EXPO and beyond. Mark your calendars now and watch for emails that will link you quickly to actions you can take leading up to and on #Rally4Transit Day.
