Title: Deputy Transportation Officer
Email: tamar.fuhrer@culvercity.org
Phone: (310) 562-0252

Agency Profile: Public Transit.

City of Norwalk- Norwalk Transit System – Table 16

Contact: Janet Welde
Title: Special Projects Coordinator
Email: jwelde@norwalkca.gov
Phone: (562) 929-5600

Agency Profile: City Government Services- Fixed Route & Paratransit Transportation Services

We Are Seeking: OEM/Suppliers, Communications, Design/Engineering/ CM/Project Management, Transportation Consulting Services

Connect Transit – Table 25

Contact: Patrick Kuebrich
Title: Finance Director
Email: pkuebrich@gmail.com
Phone: (309) 829-1124

Accompanying me:
Brady Lange, Deputy Managing Director, blange@connect-transit.com
Charlie Busse, cbusse@connect-transit.com

Company Provides: We provide fixed route, and demand response transit services for the Bloomington-Normal, Illinois area.

Corpus Christi Regional Transportation Authority – Table 19

Contact: Derrick Majchszak
Title: CEO
Email: dmajchszak@ccrta.org
Phone: (361) 903-3484
Website: <https://www.ccrta.org/>

Agency Profile: Public transportation services in South Texas across an 846 sq mile service area that includes Nueces County and portions of San Patricio County.

An Agency Seeking: We are always looking at expanding our list of firms for procurements, and to expand the list of firms we can give to primes on engineering and construction projects.

Dallas Area Rapid Transit – Table 5

Contact: Jesse Salazar
Title: Board Administrator
Email: JSalazar@dart.org
Phone: (214) 749-3347

Accompanying me:

Gary Slagel Chairman, DART Board of Directors, GASlagel@dart.org
Randall Bryant, Vice Chair, DART Board of Directors, RBBryant@dart.org
Carmen Garcia – DART Board Member, CGarcia3@dart.org
Michele Wong Krause – DART Board Member, MWKrause@dart.org
Josi Chavira, Assistant Board Administrator, JChavira@dart.org
Enrique MacGregor DART Board Member, EMacGregor@dart.org

Agency Profile: Public transit services.

EMBARK – Table 22

Contact: Kharlie Barnaby
Title: Chief of Bus Operations
Email: Kharlie.barnaby@okc.gov
Phone: (405) 406-9642

Accompanying me:

Jesse Rush, Jesse.Rush@okc.gov

Agency Profile: Public transit services.

GATRA / MARTA – Table 13

Contact: Mary Ellen A Defrias
Title: Administrator / CEO
Email: mdefrias@gatra.org
Phone: (774) 226-1220

Agency Profile: Transit services in 30 communities. We run fixed route with ADA, as well as dial a ride and micro transit.

Gold Coast Transit District – Table 16

Contact: Christine Feng
Title: CFO & AGM
Email: cfeng@gctd.org
Phone: (309) 868-2544

Company Provides: Mass Transit service

King County Metro – Table 6

Contact: Dianne Bennett
Title: Design Technology & Information Manager
Email: dibennett@kingcounty.gov
Phone: (206) 263-3778
Website <https://kingcounty.gov/en/dept/metro>

Accompanying me:
Mark Ellerbrook, maellerbrook@kingcounty.gov

Company Provides: Our mission is to provide the best possible public transportation services and improve regional mobility and quality of life in King County. Metro provides bus, on-demand, paratransit, vanpool and water taxi services, and operates the Seattle Streetcar, Sound Transit Link light rail and Sound Transit Express bus service.

Massachusetts Bay Transportation Authority – Table 6

Contact: Ray Wise
Title: Chief Procurement Officer
Email: rwise@mbta.com
Phone: (857) 206-0436
Website: <http://www.mbta.com>

Accompanying me:
Izzy Jacques, Supplier Diversity Outreach Specialist, ijacques@mbta.com
Nikolaos DiSangro, ndisangro@mbta.com
Jabes Rojas, Assistant GM of DEI, JRojas@MBTA.com

Company Provides: The Massachusetts Bay Transportation Authority (MBTA) operates the bus, subway, commuter rail, and ferry system in the greater Boston area.

METRO RTA – Table 25

Contact: Angie Neeley

Title: CFO

Email: angela.neeley@yourmetrobus.org

Phone: (330) 564-2264

Website: <http://Yourmetrobus.org>

Company Provides: METRO provides public transportation to Summit County. Although we have routes that extend beyond the Summit County border, our primary service area is within Summit County.

We Are Seeking: Printing Services, Accounting Services - ACFR prep, etc., Paper products and supplies, IT Professional Services

Mountain Line – Table 22

Contact: Frank Kuhl

Title: Procurement and Contracts Specialist

Email: fkuhl@mountainline.com

Phone: (406) 215-2468

Website: <https://mountainline.com/>

Accompanying me:

Frank Kuhl, fkuhl@mountainline.com

Colin Woodrow, cwoodrow@mountainline.com

Company Provides: Transit Services

Pierce Transit – Table 19

Contact: Marah Harris

Title: Fleet Manager

Email: mharris@piercetransit.org

Phone: (253) 983-3343

Website: <https://piercetransit.org/>

Agency Profile: Pierce Transit, officially the Pierce County Public Transportation Benefit Area Corporation, is an operator of public transit in Pierce County, Washington. It operates a variety of services, including fixed-route buses, dial-a-ride transportation, vanpool and ride-matching for carpools.

2025 APTA TRANSform – Boston, MA

New Orleans RTA – Table 6

Contact: Petrina Lewis
Title: Director of Bus operations
Email: Plewis@rtaforward.org
Phone: (504) 827-83716

Accompanying me:
Jessica Brooks, Service Delivery Manager, jbrooks@rtaforward.org

Company Provides: Operations

RTC – Table 5

Contact: Robert Stephens
Title: Deputy Chief Executive Officer
Email: stephensr@rtcsonv.com
Phone: (325) 234-0241

Agency Profile: RTC provides public transportation to the Las Vegas Metropolitan area.

Santa Clara Valley Transportation Authority (VTA) – Table 13

Contact: Nicole Chapman
Title: Director of Procurement, Contracts & Business Development
Email: nicole.chapman@vta.org
Phone: (408) 275-5970
Website: <http://www.vta.org>

Accompanying me:
Tom Maguire, Chief Capital Megaprojects Deliv Officer, Tom.Maguire@vta.org
Beverly Greene, Chief Government Affairs Officer, beverly.greene@vta.org

Agency Profile: VTA is an independent special district responsible for bus and light rail operations, paratransit, congestion management, specific highway improvements, and county-wide transportation planning for Santa Clara County, California.

Santa Cruz Metropolitan Transit District – Table 30

Contact: Derek Touns

Title: Planning and Innovation Deputy Director

Email: dtouns@scmttd.com

Phone: (831) 420-2580

Company Provides: Santa Cruz METRO is the sole public transit operator in Santa Cruz County, California. METRO carried 3.35 million passengers in 2023 and serves 800 fixed-route bus stops on 21 routes with its fleet of 122 buses. METRO also provides complimentary paratransit services utilizing a fleet of shuttles and mini-vans.

VIA – Table 19

Contact: Brandon Wood

Title: Vice President Procurement

Email: brandon.wood@viainfo.net

Phone: (726) 242-6390

Website: <https://ridewithvia.com/>

Agency Profile: Transit services.

Washington Metropolitan Area Transit Authority – Table 16

Contact: Dwayne Lloyd

Title: Senior Director

Email: dlloyd@wmata.com

Phone: (202) 236-9920

Agency Profile: Facilities maintenance services and products.

BUSINESS MEMBER ATTENDEES

911 Cell Phone Bank *

Contact: Robin J Henighan
Title: Account Relationship Manager
Email: rhenighan@911cellphonebank.org
Phone: (720) 670-9454
Website: <http://www.911cellphonebank.org>

Accompanying me:
Clarice Coppola, clarice@911cellphonebank.org

Company Provides: As APTA members, the 911 Cell Phone Bank provides free emergency devices to victims of human trafficking and violent abuse through our Lost and Found Donation Program. This service is offered at no cost to all APTA members and helps those who are vulnerable in your local community.

ABB, Inc. – Table 4

Contact: Heather Komatsoulis
Title: Sales Manager
Email: heather.komatsoulis@us.abb.com
Phone: (717) 215-5020
Website: <http://www.abb.com>

Accompanying me:
Graham Paton, graham.paton@us.abb.com
Peter Basile, peter.basile@us.abb.com
Brad Allison, brad.allison@us.abb.com
Lars-Erik Thand, lars-erik.thand@us.abb.com

Company Provides: ABB is a technology leader in electrification and automation, connecting engineering expertise and software to optimize how things are manufactured, moved, powered and operated. Our Traction Division has been a long-term partner to the global railway industry, and is the leading independent supplier of traction systems.

We Are Seeking: We are always open to new suppliers, and in the US market we specifically welcome DBE companies to approach us with their products and/or services.

“Meet the Primes” A Small Business Networking Breakfast

2025 APTA TRANSform – Boston, MA

ADASTEC Corp *

Contact: Cemre Kavvasoglu
Title: Product Management Director
Email: cemre@adastec.com
Phone: (989) 501-4010

Accompanying me:
Dr. Ali Peker, ali@adastec.com

Company Provides: Autonomous Vehicles

Allison Transmission – Table 4

Contact: Kristina Tinsley
Title: OEM Account Manager - Transit
Email: kristina.tinsley@allisontransmission.com
Phone: (219) 678-4724
Website: <http://allisontransmission.com>

Accompanying me:
Rob Douglas, Robert.Douglas@allisontransmission.com
Matt Sochar, Matthew.Sochar@allisontransmission.com
Robert McGowan, Robert.McGowan@allisontransmission.com

Company Provides: Allison is passionate about moving transit technology forward and rethinking ways to evolve vehicles into full electrification. From our proven conventional transmissions to our revolutionary eGen Flex™ electric hybrid and expanding fully electric axle technologies, we're determined to provide our cities with innovative propulsion solutions.

Almaviva/Iteris *

Contact: Andrew Bata
Title: Senior Technical Advisor
Email: andrewbatanyc@gmail.com
Phone: (917) 403-3445
Website: <http://www.almaviva.it>

Company Provides: Large, global transit technology company based in Italy. Recently acquired Iteris. Expanding in North America with offices throughout. Almaviva IS the leading rail technology company in Italy and is the designer/builder and contractual manager of the Integrated Traffic/transport Control Center in Rome, Italy.

We Are Seeking: Rail/bus Control center design, real time information systems, system integrators.

Alstom Transportation – Table 17

Contact: Marcia Pepes
Title: Business Development Director
Email: marcia.pepes@alstomgroup.com
Phone: (585) 358-9034
Website: <http://www.alstom.com>

Company Provides: Alstom in North America provides advanced rail mobility solutions, including the design and manufacture of high-speed trains, metros, and light rail vehicles. It delivers integrated systems, signaling technologies, and comprehensive operations and maintenance services, supporting both public and private transit networks across the United States and Canada.

Arup – Table 1

Contact: Matt Davy
Title: Associate Principal
Email: matt.davy@arup.com
Phone: (857) 383-8297
Website: <https://www.arup.com/en-us/>

Accompanying me:

Anil Patel, anil.patel@arup.com
Jeff Tubbs, jeff.tubbs@arup.com
Amelia Casey, amelia.casey@arup.com
Declan O'Shea, Declan.Oshea@arup.com
Olivia Rhodes-Webb, Business Development – Transportation, olivia.rhodes-webb@arup.com

Company Provides: Arup is a globally built environment consulting firm dedicated to sustainable development. Working in over 150 countries, Arup has more than 17,000 planners, designers, engineers and consultants delivering innovative projects across the world. Arup offers multidisciplinary services in planning, engineering, design and consulting.

AS3 Storytelling *

Contact: Adam Shumaker
Title: Principal
Email: adam@as3storytelling.com
Phone: (770) 316-6223

Company Provides: Organizations commonly tell their story in a "top down" method where their staff tells what they are going to do TO the community. AS3 Storytelling helps clients take a "bottom up" approach, instead finding community voices that tell what your project will do FOR them.

BAE Systems – Table 17

Contact: John Hroncich
Title: Director, North America Transit Sales
Email: john.hroncich@baesystems.us
Phone: (607) 727-4309
Website: <https://www.baesystems.com/en/product/series-e>

Accompanying me:
Stephen Cofta, stephen.cofta@baesystems.us
Filippo Muggeo, filippo.muggeo@baessystems.us
Floyd Diaz, floyd.diaz@baesystems.us
Greg Marx, greg.marx@baesystems.us

Company Provides: Leading electrification solutions for propulsion and accessories power management needs on transit buses.

We Are Seeking: Low and no emission transit buses.

Benteler Mobility *

Contact: Paula Bejarano
Title: SVP Business Development
Email: paula.bejarano@benteler-mobility.com
Phone: (301) 532-8566
Website: <https://www.benteler-mobility.com/>

Company Provides: MaaS and financing for autonomous fleets for public transit use.

We Are Seeking: Charging, OEMs, fleet services

Bohr Electronics *

Contact: Bruce Bloomster
Title: Sales Director
Email: bbloomster@bohr.com
Phone: (423) 834-0041
Website: <http://www.bohr.com>

Company Provides: Bohr electro-mechanical manufacturer and repair house. We specialize in board repair, event recorder repair, entire locomotive cabinet manufacturing, wire harness manufacturing and the supply of AC and DC components for locomotive and transit cars. Bohr is ISO and AAR registered.

Canadian Urban Transit Association (CUTA) *

Contact: Simon Minelli

Title: Director, Research, Technical Services, and Industry Programs

Email: minelli@cutaactu.ca

Phone: (647) 920-3224

Website: <http://transitambassador.org>

Company Provides: CUTA's renowned training programs empower transit professionals with the skills and knowledge needed to excel in a rapidly evolving industry. From front-line operations to technical skills development, our programs combine best practices, real-world expertise, and hands-on learning to support safe, efficient, and customer-focused transit systems across North America.

CDM Smith – Table 1

Contact: Chuck Deeb

Title: Principal | Client Service Leader

Email: deebck@cdmsmith.com

Phone: (404) 720-1226

Website: <http://cdmsmith.com>

Accompanying me:

Jim Murphy, Client Service Leader, murphyjf@cdmsmith.com

Chris Martel, Senior Vice President, martelcm@cdmsmith.com

Ellen DeNooyer, Senior Project Manager, denooyerem@cdmsmith.com

Antonis Panyotatos, Senior Project Manager, panayotatos@cdmsmith.com

Company Provides: CDM Smith offers comprehensive transit planning and engineering services, including feasibility studies, design, and implementation of transit systems. Their expertise brings efficient, sustainable, and innovative solutions for urban mobility, enhancing connectivity and accessibility while addressing environmental and community needs.

We Are a Prime, Seeking: Systems Engineering, wayfinding signage, track design.

Centroid, Inc. – Table 29

Contact: Dave Carroll

Title: Sales Manager

Email: david.carroll@centroidinc.com

Phone: (516) 824-7015

Website: <https://www.centroidinc.com/>

Company Provides: Centroid, Inc. mitigates obsolescence in vehicles on land, sea, and air. We have manufactured 1,500 components in the last 2 decades. Our parent company Ontic manufactures 2 rail products under licenses from OEMs. Centroid’s strengths include these capabilities.

- Reverse Engineering
- Design to Specifications
- Build to OEM Documentation

CITYROVER *

Contact: Maaz Siddiqui

Title: Business Development Executive

Email: maaz.siddiqui@cityrover.com

Phone: + 1(416) 894-0564

Website: <https://www.cityrover.com/products/cityrover-edge/cityrover-for-transit-stops/>

Accompanying me:

Alberto Santofimio, Business development Associate, alberto.santofimio@visualdefence.com

Company Provides: We deliver AI-powered transit facility management that detects issues early, cuts costs, and extends asset life. By deploying the appropriate resources at the right time, we maximize efficiency, ensuring smooth operations, seamless passenger experiences, and the smartest use of your resources.

“Meet the Primes” A Small Business Networking Breakfast

2025 APTA TRANSform – Boston, MA

Cubic – Table 15

Contact: Alex Litchfield
Title: Vice President Business Development
Email: alex.litchfield@cubic.com
Phone: (215) 421-9473
Website: <http://www.cubic.com>

Company Provides: Cubic Transportation Systems is a global leader in intelligent travel solutions, specializing in integrated fare collection, real-time information, and traffic management systems that improve mobility in cities. Cubic partners with transit agencies worldwide to deliver innovative, scalable technology that enhances the rider experience and optimizes transportation networks.

We Are a Prime, Seeking: Program / Project Management, Hardware installation, Hardware providers, Software partners

Dikita Enterprises, Inc *

Contact: Eve Williams
Title: President
Email: ewilliams@dikita.com
Phone: (972) 880-8904
Website: www.dikita.com

Company Provides: Rail program management, systems integration, vehicle engineering inspection, and transit market research for ridership studies.

DILAX Systems Inc. – Table 29

Contact: Alexander Okapuu
Title: President
Email: Alexander@dilax.ca
Phone: (450) 358-3898
Website: <http://www.dilax.com>

Accompanying me:
Sylvain Besner, Sales Manager, Sylvain@dilax.ca

Company Provides: Fully automatic DILAX passenger counting systems provide diverse solutions for recording, transmitting and evaluating passenger counting and trip data. From system components through to data management solutions, from product development to project management through to its after sales services, DILAX provides all these from a single source.

“Meet the Primes” A Small Business Networking Breakfast

2025 APTA TRANSform – Boston, MA

Diversity Matters 2 US, LLC *

Contact: Robert “Bob” Nixon
Title: Owner & President
Email: bobnixon@dm2us.com
Phone: (607) 382-8184
Website: <http://www.dm2us.com>

Company Provides: Buy America(n) FTA/FRA/Amtrak compliance consulting, training, auditing, RFP/contract review and DBE/MBE/WBE/SBE participation goal/plan preparation for transit authorities, TVMs/GCs/Primes, system/component suppliers and DBEs.

Equans – Table 28

Contact: Kareena Nagawa
Title: Bid Manager
Email: kareena.nagawa@equans.com
Phone: (514) 993-6390
Website: <https://navineo.co/>

Accompanying me:

Kilian Ollivier, Director of Business Development, kilian.ollivier@equans.com

Company Provides: NAVINEO, an offer from EQUANS, enables the implementation of CAD/AVL and intelligent transportation systems, optimizes your public transportation networks and ensures a unique experience for passengers and drivers.

ETA Transit *

Contact: Jariel Adler
Title: VP of Business Development and Partnerships
Email: jadler@etatransit.com
Phone: (561) 717-1276
Website: <http://www.etatransit.com>

Accompanying me:

Jariel Adler, jadler@etatransit.com

Company Provides: Specializing in Fixed-Route CAD/AVL and integrated technologies including APC, AVAS, infotainment, and more.

We Are Seeking: Transit technology and implementation services.

“Meet the Primes” A Small Business Networking Breakfast

2025 APTA TRANSform – Boston, MA

Exclusively Yours Total Solutions *

Contact: Krystal Toland
Title: Chief Executive Officer
Email: ktoland@eytotalsolutions.com
Phone: (770) 688-4542
Website: <http://www.eytotalsolutions.com>

Accompanying me:
Omair Kemp, support@eytotalsolutions.com

Company Provides: Exclusively Yours Total Solutions (EYTS) provides tailored services including uniforms, facility support, health and safety products, risk management training, vending, and branded promotional items. We serve transportation, healthcare, education, and government industries with “Solutions in Motion” and a promise of “Excellence Delivered, Every Solution Secured.”

EXP – Table 28

Contact: Philippe Grant
Title: Director, Business Development
Email: philippe.grant@exp.com
Phone: (435) 919-7995
Website: <http://www.exp.com>

Accompanying me:
Olivier Picq, philippe.grant@exp.com
Kevin George, kevin.george@exp.com
Hugh Harris, hugh@legacyresourcegroup.net

Company Provides: Our heritage dates back to 1906, when the earliest of EXP’s predecessor companies started its engineering infrastructure practice. Since then we have grown to a full-service, multidisciplinary firm delivering projects and solutions to clients and communities around the world. Today, thousands of professionals across EXP work to deliver extraordinary experiences.

We Are Seeking: Regional small businesses specializing in various niches of transit design

“Meet the Primes” A Small Business Networking Breakfast

2025 APTA TRANSform – Boston, MA

Facet Engineering, Inc. *

Contact: Oren Skidelsky

Title: Chief Engineer

Email: oskidelsky@facetengineering.net

Phone: (773) 852-2425

Website: <http://www.facetengineering.net>

Company Provides: Facet Engineering (FEL) is a leading electrical/communications/traction power/mechanical/plumbing/corrosion protection engineering firm for the transit market, currently working (projects and GECs) in 12 markets around the country (Atlanta, Chicago, Boston, Washington, Philadelphia, NY, NJ, Portland, Austin, Dallas, Seattle, Buffalo) and the leader in the Midwest.

FOGTEC Fire Protection *

Contact: William Pack

Title: Sales Manager

Email: william.pack@fogtec.com

Phone: '+49 1520 200 2353'

Website: <http://www.fogtec.com>

Company Provides: FOGTEC offers complete fire protection system solutions, including smoke and heat detection systems as well as fire fighting systems with high pressure water mist, inert gas or aerosol. Areas protected on trains include diesel engines, high voltage converters, electrical cabinets, passenger compartments, WCs and drivers cabs.

We Are Seeking: Rail vehicle manufacturers, rail vehicle consultants, vehicle refurbishment specialists, rail vehicle maintenance and service companies, rail safety officers and chief technical officers of transit authorities and passenger rail companies.

ForeFront Power – Table 2

Contact: Alise Crippen

Title: Sales Associate, Fleet Electrification

Email: acrippen@forefrontpower.com

Phone: (415) 523-3292

Accompanying me:

Louise Elzvik, lelzvik@forefrontpower.com

Derek Hanson, dhanson@forefrontpower.com

Company Provides: ForeFront Power is a leading developer of EV charging infrastructure, commercial and industrial-scale solar energy and battery storage projects in the U.S. and Mexico. A turnkey provider, ForeFront partners with customers through planning, grant applications, utility interconnection, design, construction, operations, and maintenance, offering design-build or fully financed multi-year project terms.

Gatekeeper Systems Inc. – Table 26

Contact: Rani Chamie

Title: Director of Business Development

Email: rhamie@gatekeeper-systems.com

Phone: (905) 208-9704

Website: <http://www.gatekeeper-systems.com/>

Accompanying me:

Margarita Natavio, mnatavio@gatekeeper-systems.com

Company Provides: Gatekeeper is a leading provider of intelligent video and data solutions designed to provide a safer transportation environment for children, passengers, and public safety personnel on multiple transportation modes. The Company uses AI, video analytics, and mobile data collectors to inter-connect public transit assets as part of intelligent transportation systems.

We Are a Prime, Seeking: Installation.

“Meet the Primes” A Small Business Networking Breakfast

2025 APTA TRANSform – Boston, MA

Genfare – Table 9

Contact: Mike Loeffler
Title: Chief Revenue Officer
Email: mike.loeffler@spx.com
Phone: (312) 501-0331
Website: <https://genfare.com/>

Company Provides: Genfare provides an end-to-end fare collection solution consisting of hardware, software, and services.

Gresham Smith – Table 2

Contact: Nakeeta Batson
Title: Deputy Program Manager
Email: nakeeta.batson@greshamsmith.com
Phone: (404) 865-3475

Accompanying me:

Jeremy Busby, Jeremy.busby@greshamsmith.com
Jagpreet Ghuman, jagpreet.ghuman@greshamsmith.com

Company Provides: Gresham Smith partners with transit agencies and private companies to deliver innovative, resilient solutions in program management, design, and mobility planning. At APTA, we offer expertise in advancing infrastructure, enhancing customer experience, and aligning projects with community goals; helping organizations achieve sustainable growth and operational excellence.

Hallcon Corporation *

Contact: Emily Guill
Title: Director, Business Development
Email: eguill@hallcon.com
Phone: (800) 878-0450
Website: <http://www.hallcon.com>

Company Provides: Hallcon is a transit cleaning and transit services company who specializes in cleaning passenger railcars, LRVs, buses, stations and facilities. We also provide other transit services including transit ambassadors and temporary personnel and various other supports your company or agency may need.

“Meet the Primes” A Small Business Networking Breakfast
