- 4:00 PM PST MTS OCC AND FACILITIES TOUR:** **Riley**
- We will tour MTS Operations Control Center and Transit System Security Dispatch Center, which are both fully staffed 24 hours a day, 7 days a week, and 365 days a year with personnel, including Customer Service Representatives, Controllers, Central Control Supervisors, and Security Dispatchers. OCC personnel are laser-focused on system performance, customer service, security, and the safety of MTS passengers, employees, and the communities served by the rail network. The MTS OCC is committed to improving the customer experience for over one hundred thousand daily system users, through close monitoring and use of CCTV, Centralized Train Control, radios, and SCADA technologies, creating an integrated transit network with the capacity to serve the San Diego region
  - Maintenance Staff will detail preventative and corrective Maintenance activities and guide guests through the facility including Wheel Truing, Heavy Maintenance and Truck Shop, HVAC and pantograph repairs as well as the Paint and Body shop. Guests will also have the opportunity to view each of MTS' current LRV and Streetcar fleets, including the legacy vehicles up close.
- 5:30 PM PST Adjourn**
