

Every Public Transit Dollar Strengthens American Manufacturing

Creating family-wage jobs, fueling small businesses, and driving billions in private-sector growth across every State

- Public transit is a \$93 billion industry
- 430,000+ public transit jobs, plus millions in the private sector
- \$1 in public transit = \$5 for our economy
- 77% of Federal public transit funds flow to the private sector
- 3,000 suppliers across 49 States
