Railroad Crossing Elimination and Grade Crossing Safety Improvements
Bipartisan Infrastructure Law (BIL) | Rail Development Goals

Renew Amtrak’s fleet & facilities and deliver high-quality intercity passenger rail service

Modernize the Northeast Corridor

Build the foundation for a long-term rail program

Bring world-class passenger rail service to other regions across the country

Grow a safer, cleaner, more equitable rail system

ELIGIBLE APPLICANTS

• States, including the District of Columbia, Puerto Rico, and other U.S. territories and possessions.
• Political subdivision of a State.
• Federally recognized Indian Tribe.
• A unit of local government or a group of local governments.
• A public port authority.
• A metropolitan planning organization.
• A group of the entities described above.
• Grade separation or closure including through use of a bridge, embankment, tunnel or combination thereof.
• Track relocation.
• Improvement or installation of protective devices, signals, signs, or other measures to improve safety related to a separation, closure, or track relocation project.
• Other means to improve the safety if related to the mobility of people and goods at highway-rail grade crossings (including technological solutions).
• The planning, environmental review, and design of an eligible project type.
Railroad Crossing Elimination – Program Conditions

Grant Conditions

• Minimum 20 percent non-Federal matching share
• No grant awarded shall be smaller than $1,000,000, except for planning grants.

Rural and Tribal Set Aside

• Not less than 20 percent of funds are reserved for projects located in rural areas or on Tribal lands.
  • Not less than 5 percent of these funds are reserved for projects in counties with 20 or fewer residents per square mile.
## Railroad Crossing Elimination – Program Conditions

### Planning
- Not less than 3 percent of funding is for planning projects
  - Not less than 25 percent of these funds is for planning projects in rural areas or on Tribal lands.

### Crossing Safety Information and Education Program
- 0.25 percent of funding shall be for highway-rail grade crossing safety information and education programs to help prevent and reduce pedestrian, motor vehicle, and other accidents, incidents, injuries, and fatalities; and to improve awareness along railroad rights-of-way and at highway-rail grade crossings.

### State Limitation
- Not more than 20 percent of funds in any fiscal year may be selected for projects in any single State.
CRISI – Program Overview

GRANT PURPOSE

• To fund projects that improve the safety, efficiency, and/or reliability of intercity passenger and freight rail systems

ELIGIBLE APPLICANTS

- A State (including the District of Columbia) or group of States.
- An Interstate Compact.
- Public agencies or publicly chartered authorities established by 1 or more States.
- Political subdivision of a State.
- Amtrak or other intercity passenger rail carrier.
- Class II or III railroads and associations that represent a Class II or III railroad.
- Any rail carrier or equipment manufacturer in partnership with at least one state entity, public agency, and/or local government.
- Federally recognized Indian Tribe.
- The Transportation Research Board (TRB) together with any entity with which it contracts in the development of rail-related research, including cooperative research programs.
- A university transportation center engaged in rail-related research.
- A non-profit labor organization representing a class or craft of employees of rail carriers or rail carrier contractors.
CRISI – Program Overview

ELIGIBLE PROJECT CRITERIA

- Wide Range of Rail Capital Projects
  - Congestion mitigation
  - Ridership growth facilitation
  - Enhancements to multimodal connections
  - Improvements to short-line or regional railroad infrastructure

- Railroad Safety Technology
- Track, Station, and Equipment Improvements for Intercity Passenger Rail
- Grade Crossing Improvements
- Rail Line Relocation and Improvement
- Regional and Corridor Service Planning and corresponding Environmental Analyses

- Safety Programs and Institutes
- Research
- Workforce Development and Training
- New in BIL:
  - Measures that prevent trespassing
  - Preparation of emergency plans for hazardous materials are transported by rail
  - Rehab or procurement of locomotives, provided that such activities result in a significant reduction of emissions.

At least 25% of funds is reserved for rural projects
Federal-State Partnership (non-NEC) – Program Overview

GRANT PURPOSE

• To fund capital projects that reduce the state of good repair backlog, improve performance, or expand or establish new intercity passenger rail service, including privately operated intercity passenger rail service if an eligible applicant is involved.

* $7.500 million authorized over 5 years with at least 45% for NEC projects and 45% for non-NEC projects. For illustrative purposes, a 50% split is shown.
ELIGIBLE APPLICANTS

- A State (including the District of Columbia) or group of States.
- An Interstate Compact.
- Public agencies or publicly chartered authorities established by 1 or more States.
- Political subdivision of a State.
- Amtrak, acting on its own behalf or under a cooperative agreement with 1 or more States.
- Class II or III railroads and associations that represent a Class II or III railroad.
- Federally recognized Indian Tribe.
- Any combination of the entities above.
ELIGIBLE PROJECT CRITERIA

- A project to replace, rehabilitate, or repair infrastructure, equipment, or a facility used for providing intercity passenger rail service to bring such assets into a state of good repair.
- A project to improve intercity passenger rail service performance, including reduced trip times, increased train frequencies, higher operating speeds, improved reliability, expanded capacity, reduced congestion, electrification, and other improvements, as determined by the Secretary.
- A project to expand or establish new intercity passenger rail service.
- A group of related projects as described above.
- The planning, environmental review, and final design of an eligible project or group of projects described above.
How to Apply and Available Grant Resources

Information on how to apply:

Webinars and Technical Assistance:

White House Guidebook:
FRA Stakeholder Engagement Opportunities

**CURRENT ENGAGEMENT**

FRA has a Request for Information in the Federal Register related to the development of the Corridor Identification and Development Program and encourages all interested parties to submit comments by March 9th.

**UPCOMING ENGAGEMENT**

FRA will conduct three focused listening sessions related to the development of the Railroad Crossing Elimination Program. The information in these listening sessions will help FRA as it develops the program.

- Listening Sessions are tentatively scheduled for end of March
Blocked crossings pose potential safety risks, specifically in locations where trains routinely hinder roadway and pedestrian movement for extended periods.

To address this potential safety risk, FRA established the Blocked Crossing Portal in 2019.

Portal requests specific information from users reporting blocked crossings—including date, time, location and duration that crossing is blocked.

http://www.fra.dot.gov/blockedcrossings
Quiet Zone Application Process

HOW TO OBTAIN A QUIET ZONE

• The establishment of Quiet Zones aren’t eligible projects covered within any existing FRA grant program.

• The best path to obtaining a Quiet Zone is through improving the safety of the grade crossing.

More information about the establishment of Quiet Zones can be found here:

https://railroads.dot.gov/elibrary/how-create-quiet-zone
FRA Technical Assistance for Grantees

UPCOMING VIRTUAL TRAININGS

FRA conducts webinars throughout the year to educate grantees about the application and program delivery process. Upcoming webinars include:

• Section 106 – March 8
• Benefit Cost Analysis – Spring 2022

ON-DEMAND TRAINING

FRA’s Training and Guidance webpage has a wealth of videos and webinars on topics such as:

• Cost estimating
• Environmental streamlining
• Grade crossing project planning tools
• Grant application process
Need to **Build Back Better**, the first time!

- Starts by listening and engaging with **YOU**, our stakeholders.

**Process takes time.**

- FRA is looking at ways to streamline and improve.
- Looking to make sure grant programs are available throughout the year.

**Responsibility to be good stewards of taxpayer funds.**
