dollar amount of Federal assistance provided to
the transferring project shall remain the same
in the receiving project or projects.

(B) For unoccupied units in the transferr-

duction in the number of dwelling units in the
receiving project or projects to allow for a re-

market demands, as determined by the Sec-
retary and provided there is no increase in the
project-based assistance budget authority.

(2) The transferring project shall, as deter-
mined by the Secretary, be either physically obsolete
or economically nonviable, or be reasonably expected
to become economically nonviable when complying
with state or Federal requirements for community

is in the best interest of the tenants.

ceiving project or projects meets the condition speci-
fied in subsection (d)(2)(A), any lien on the receiv-
ing project resulting from additional financing ob-
tained by the owner shall be subordinate to any
FHA-insured mortgage lien transferred to, or placed
on, such project by the Secretary, except that the
Secretary may waive this requirement upon deter-
mination that such a waiver is necessary to facilitate
the financing of acquisition, construction, and/or re-
habilitation of the receiving project or projects.

(8) If the transferring project meets the re-
quirements of subsection (d)(2), the owner or mort-
gagor of the receiving project or projects shall exe-
cute and record either a continuation of the existing
use agreement or a new use agreement for the
project where, in either case, any use restrictions in
such agreement are of no lesser duration than the
existing use restrictions.

(9) The transfer does not increase the cost (as
declared in section 502 of the Congressional Budget
Act of 1974 (2 U.S.C. 661a)) of any FHA-insured
mortgage, except to the extent that appropriations
are provided in advance for the amount of any such
increased cost.

SEC. 211. Notwithstanding any other provision of law, in fiscal year 2023, in managing and disposing of any multifamily property that is owned or has a mortgage held by the Secretary of Housing and Urban Development, and during the process of foreclosure on any property with a contract for rental assistance payments under section 8 of the United States Housing Act of 1937 (42 U.S.C. 1437f) or any other Federal programs, the Secretary shall maintain any rental assistance payments under section 8
of the United States Housing Act of 1937 and other programs that are attached to any dwelling units in the property. To the extent the Secretary determines, in consultation with the tenants and the local government that such a multifamily property owned or having a mortgage held by the Secretary is not feasible for continued rental assistance payments under such section 8 or other programs, based on consideration of (1) the costs of rehabilitating and operating the property and all available Federal, State, and local resources, including rent adjustments under section 524 of the Multifamily Assisted Housing Reform and Affordability Act of 1997 (in this section “MAHRAA”) (42 U.S.C. 1437f note), and (2) environmental conditions that cannot be remedied in a cost-effective fashion, the Secretary may, in consultation with the tenants of that property, contract for project-based rental assistance payments with an owner or owners of other existing housing properties, or provide other rental assistance. The Secretary shall also take appropriate steps to ensure that project-based contracts remain in effect prior to foreclosure, subject to the exercise of contractual abatement remedies to assist relocation of tenants for imminent major threats to health and safety after written notice to and informed consent of the affected tenants and use of other available remedies, such as partial abatements or re-
ceivership. After disposition of any multifamily property

SEC. 215. The Secretary shall, for fiscal year 2023, notify the public through the Federal Register and other means, as determined appropriate, of the issuance of a notice of funding opportunity (NOFO) for any program or discretionary fund administered by the Secretary that is to be competitively awarded. Notwithstanding any other provision of law, for fiscal year 2023, the Secretary may make the NOFO available only on the Internet at the ap-

SEC. 218. (a) Any entity receiving housing assistance payments shall maintain decent, safe, and sanitary conditions, as determined by the Secretary, and comply with any standards under applicable State or local laws, rules, ordinances, or regulations relating to the physical condi-
tion of any property covered under a housing assistance payment contract.

(b) The Secretary shall take action under subsection (c) when a multifamily housing project with a contract under section 8 of the United States Housing Act of 1937 (42 U.S.C. 1437f) or a contract for similar project-based assistance—

(1) receives a Uniform Physical Condition Standards (UPCS) score of 59 or less; or

(2) fails to certify in writing to the Secretary within 3 days that all Exigent Health and Safety deficiencies identified by the inspector at the project have been corrected.

Such requirements shall apply to insured and non-insured projects with assistance attached to the units under section 8 of the United States Housing Act of 1937 (42 U.S.C. 1437f), but shall not apply to such units assisted under section 8(o)(13) of such Act (42 U.S.C. 1437f(o)(13)) or to public housing units assisted with capital or operating funds under section 9 of the United States Housing Act of 1937 (42 U.S.C. 1437g).

(c)(1) Within 15 days of the issuance of the Real Estate Assessment Center (“REAC”) inspection, the Secretary shall provide the owner with a Notice of Default with a specified timetable, determined by the Secretary,
for correcting all deficiencies. The Secretary shall provide
a copy of the Notice of Default to the tenants, the local
government, any mortgagees, and any contract adminis-
trator. If the owner’s appeal results in a UPCS score of
60 or above, the Secretary may withdraw the Notice of
Default.

(2) At the end of the time period for correcting all
deficiencies specified in the Notice of Default, if the owner
fails to fully correct such deficiencies, the Secretary shall
take one or more of the following actions, and provide ad-
ditional notice of those actions to the owner and the par-
ties specified above—

(A) require immediate replacement of project
management with a management agent approved by
the Secretary;

used solely for the purpose of supporting safe and
sanitary conditions at applicable properties, as des-

tenants of the property affected by the penalty;

(C) abate the section 8 contract, including par-
tial abatement, as determined by the Secretary, until
all deficiencies have been corrected;

(E) transfer the existing section 8 contract to
another project or projects and owner or owners;

(F) pursue exclusionary sanctions, including
suspensions or debarments from Federal programs;

(G) seek judicial appointment of a receiver to
manage the property and cure all project deficiencies
or seek a judicial order of specific performance re-
quiring the owner to cure all project deficiencies;

(H) work with the owner, lender, or other re-
lated party to stabilize the property in an attempt
to preserve the property through compliance, trans-
fer of ownership, or an infusion of capital provided
by a third-party that requires time to effectuate; or

(I) take any other regulatory or contractual
remedies available as deemed necessary and appro-
priate by the Secretary.

(d) The Secretary shall take appropriate steps to en-
sure that project-based contracts remain in effect, subject
to the exercise of contractual abatement remedies to assist
relocation of tenants for major threats to health and safety
after written notice to and informed consent of the af-
lected tenants and use of other remedies set forth above.
To the extent the Secretary determines, in consultation with the tenants and the local government, that the property is not feasible for continued rental assistance payments under such section 8 or other programs, based on consideration of—

(1) the costs of rehabilitating and operating the property and all available Federal, State, and local resources, including rent adjustments under section 524 of the Multifamily Assisted Housing Reform and Affordability Act of 1997 ("MAHRAA"); and

(2) environmental conditions that cannot be remedied in a cost-effective fashion, the Secretary may contract for project-based rental assistance payments with an owner or owners of other existing housing properties, or provide other rental assistance.

e) The Secretary shall report semi-annually on all properties covered by this section that are assessed through the Real Estate Assessment Center and have UPCS physical inspection scores of less than 60 or have received an unsatisfactory management and occupancy review within the past 36 months. The report shall include—

Sec. 220. None of the funds made available by this Act and provided to the Department of Housing and Urban Development may be used to make a grant award unless the Secretary notifies the House and Senate Committees on Appropriations not less than 3 full business days before any project, State, locality, housing authority, Tribe, nonprofit organization, or other entity selected to receive a grant award is announced by the Department or its offices: Provided, That such notification shall list each grant award by State and congressional district.

Sec. 221. None of the funds made available in this Act shall be used by the Federal Housing Administration, the Government National Mortgage Association, or the Department of Housing and Urban Development to insure, securitize, or establish a Federal guarantee of any mortgage or mortgage backed security that refines or otherwise replaces a mortgage that has been subject to eminent domain condemnation or seizure, by a State, municipality, or any other political subdivision of a State.

the time of completion of a contract, grant, or cooperative

come available and may be reobligated in that fiscal year
or the subsequent fiscal year for the research, evaluation,
or statistical purposes for which the amounts are made
available to that Office subject to reprogramming require-

None of the amounts made available by this Act may be used to prohibit any public housing agency under receivership or the direction of a Federal monitor from applying for, receiving, or using funds made available under the heading “Public Housing Fund” for competitive grants to evaluate and reduce lead-based paint hazards in this Act or that remain available and not awarded from prior Acts, or be used to prohibit a public housing agency
from using such funds to carry out any required work pursuant to a settlement agreement, consent decree, voluntary agreement, or similar document for a violation of the Lead Safe Housing or Lead Disclosure Rules.

SEC. 230. None of the funds made available by this title may be used to issue rules or guidance in contravention of section 1210 of Public Law 115–254 (132 Stat. 3442) or section 312 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5155).

Provided further, That if, upon request by a recipient and giving consideration to all Federal resources available to the recipient for the same grant purposes, the Secretary determines that the offset in a next applicable formula allocation cycle would critically impair the recipient’s ability to accomplish the purpose of the formula grant, the Secretary may adjust for the funding error across two or more formula allocation cycles.

After the initial renewal of a section 8 contract pursuant to this section and notwith-standing any other provision of law or contract regarding the adjustment of rents or subsequent renewal of such contract for a project, including such a provision in section 514 or this section, in the case of a project subject to any restrictions imposed pursuant to sections 514 or this sec-tion, the Secretary may, not more than once every 10 years, adjust such rents or renew such contracts at rent levels that are equal to the lesser of budget-based rents or comparable market rents for the market area upon the request of an owner or purchaser who—

“(1) demonstrates that—
“(A) project income is insufficient to operate and maintain the project, and no rehabilitation is currently needed, as determined by the Secretary; or

“(B) the rent adjustment or renewal contract is necessary to support commercially reasonable financing (including any required debt service coverage and replacement reserve) for rehabilitation necessary to ensure the long-term sustainability of the project, as determined by the Secretary, and in the event the owner or purchaser fails to implement the rehabilitation as required by the Secretary, the Secretary may take such action against the owner or purchaser as allowed by law; and

“(2) agrees to—

“(A) extend the affordability and use restrictions required under 514(e)(6) for an additional twenty years; and

“(B) enter into a binding commitment to continue to renew such contract for and during such extended term, provided that after the affordability and use restrictions required under 514(e)(6) have been maintained for a term of 30 years:
“(i) an owner with a contract for which rent levels were set at the time of its initial renewal under section 514(g)(2) shall request that the Secretary renew such contract under section 524 for and during such extended term; and

(b) in section 534, by adding at the end the following new subsection:

“(h) RENT ADJUSTMENTS TO ADDRESS DISTRESS. In the case of a section 8 contract that will be eligible for renewal under this section when it expires or terminates, notwithstanding any provision of contract or law regarding the adjustment of rents, including such a provision in this section, the Secretary may adjust such rents, subject to the availability of funds for such rent adjustments, to rent levels that are equal to the lesser of budget-based rents or comparable market rents for the market area at the request of an owner or purchaser who demonstrates that such rent adjustment is needed to address project health and safety deficiencies and that—
“(1) project income is insufficient to operate and maintain the project, and no rehabilitation is currently needed, as determined by the Secretary; or

“(2) the rent adjustment is necessary to support commercially reasonable financing (including any required debt service coverage and replacement reserve) for rehabilitation necessary to ensure the long-term sustainability of the project, as determined by the Secretary, and in the event the owner or purchaser fails to implement the rehabilitation as required by the Secretary, the Secretary may take such action against the owner or purchaser as allowed by law.”; and
