

# Adopting the Under-the-Hood Waiver: Process for Pennsylvania

The Federal Motor Carrier Safety Administration is allowing state driver's licensing agencies to waive the "under-the-hood" portion of the vehicle inspection skills test for public transit operators seeking a CDL. "Under-the-hood" refers specifically to the engine compartment component of the vehicle inspection test, as outlined in [49 CFR §383.113\(a\)\(1\)\(i\)](#).

This information is designed to help transit agencies advocate for the under-the-hood waiver to be adopted in Pennsylvania. See the briefing document titled "[Under-the-Hood](#)" CDL Waiver for Transit Bus Operators for additional information on the waiver and its purpose.
