

## Commuter Rail PTC Subcommittee

June 23, 2019

7:30 - 10 a.m. Eastern

**Willow Centre, Mezzanine Level, Sheraton Centre Hotel**

Chair, Jeffrey D. Kneuppel, P.E.

### MISSION STATEMENT

This subcommittee provides commuter railroads a forum to discuss all topics related to Positive Train Control. It will also allow sharing of best practices and technical issues which allow faster progress of PTC implementation. This subcommittee is working on an active agenda including:

- Providing a forum for the Commuter Railroads to leverage and enhance best practices in relation to Positive Train Control (PTC) implementations and maintenance;
- Driving the PTC messaging and communications for the Commuter Railroads; and
- Providing a forum for resolving common issues related to PTC implementation including FRA submittals.

### Agenda

- |   |                               |
|---|-------------------------------|
