10:30am to 1:00pm
Room: Chestnut, Mezzanine Level

Timothy R. Borchers Chair
Eric Sitiko Vice Chair
James D. Schantz Secretary

MISSION STATEMENT

The APTA Streetcar Subcommittee promotes streetcar services in urban centers and the exchange of information among individuals or organizations promoting, planning, funding, designing, building, operating, and maintaining such services. This is done by organizing forums for the dissemination of best practices and the experience of practitioners; by assisting in the development of appropriate safety and technical standards and by providing guidance to regulators in setting sensible and reasonable regulatory measures.
