

American Public Transportation Association
Authorization To Serve on the Research and Technology Committee Applicants

Nominee: _____

Title: _____

Company: _____

Service on the APTA Research and Technology Committee (R & T Committee) requires attendance of regular meetings of the Research and Technology Committee. This includes:

- The APTA Legislative Conference, typically held in Washington in March
- Either the APTA Mobility Conference (typically held in May) or the APTA Rail Conference (typically held in June)
- The APTAtech Conference, typically held in August
- The APTA Annual Meeting, called TRANSform, typically held in October.

The Senior Executive Officer of the Nominee's company verifies the availability of the time and financial resources required for the Nominee to serve on the Research & Technology Committee. The Nominee also understands that if elected, he/she will be expected to sign an APTA conflict of interest statement and a governance code of conduct.
