## TOUGH QUESTIONS FOR LEADERS

Will you require shared autonomous vehicles?

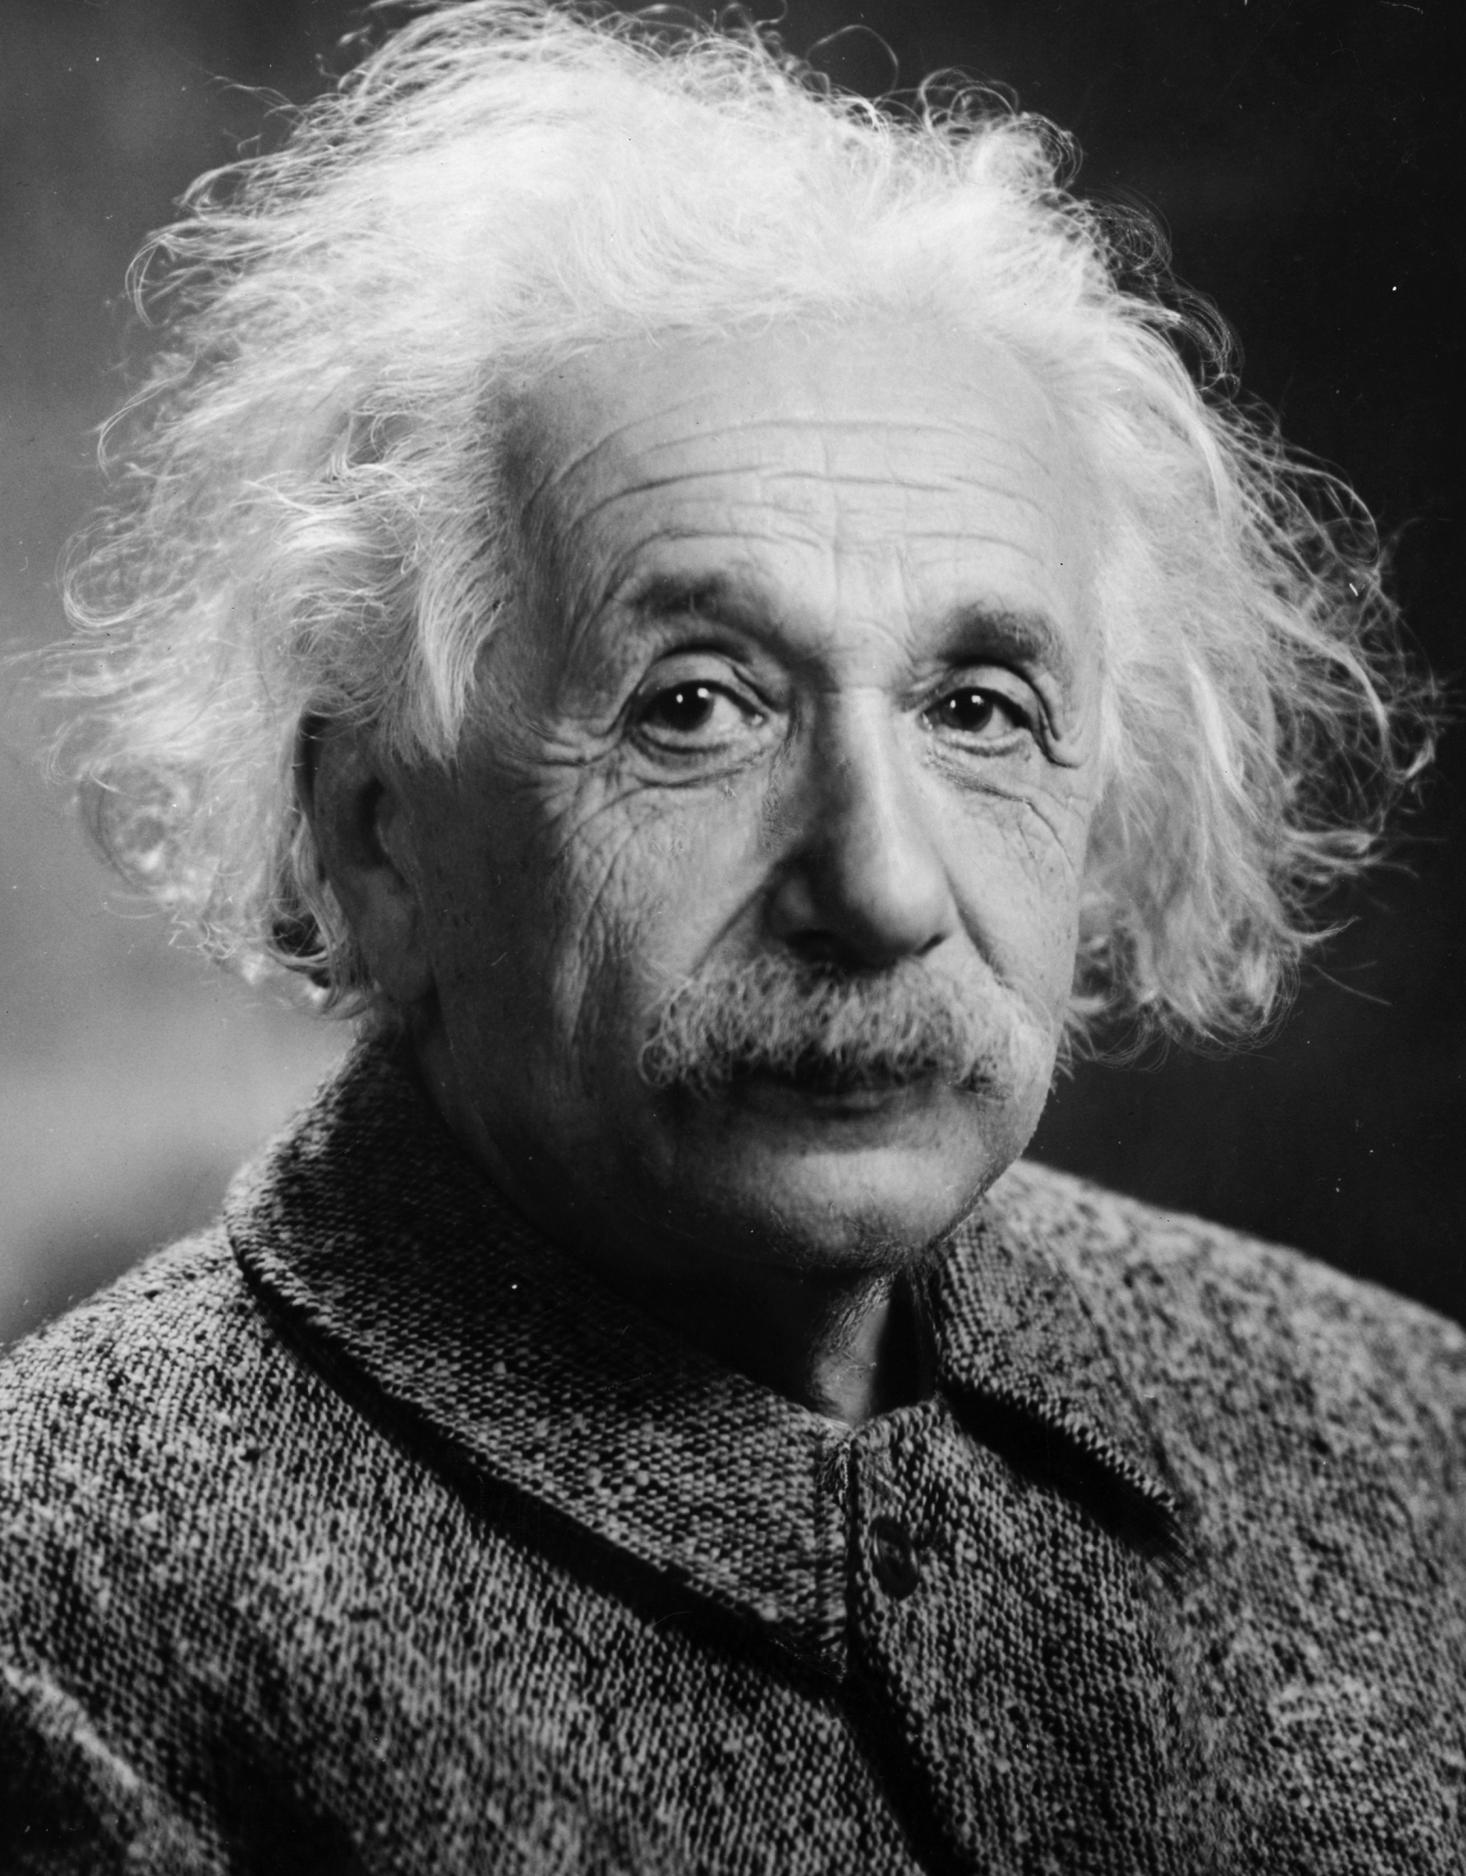

Will you abolish parking minimums?

Will you prioritize road space for lower-impact mobility options like transit, walking & cycling?

Will you consider congestion pricing?

Will you incentivize reducing vehicle miles traveled in personal vehicles?

**“IF I WERE GIVEN ONE  
HOUR TO SAVE THE  
PLANET, I WOULD  
SPEND 59 MINUTES  
DEFINING THE  
PROBLEM AND ONE  
MINUTE RESOLVING IT.”**

*Albert Einstein*
