APTA'S VISION STATEMENT

Be the leading force in advancing public transportation.

APTA'S MISSION STATEMENT

To strengthen and improve public transportation, APTA serves and leads its diverse membership through advocacy, innovation, and information sharing.

ABOUT APTA

The American Public Transportation Association (APTA) is a nonprofit international association of 1,500 public and private sector organizations engaged in the areas of bus, paratransit, light rail, commuter rail, subways, waterborne services, and intercity and high-speed passenger rail. This includes transit systems; planning, design, construction, and finance firms; product and service providers; academic institutions; and transit associations and state departments of transportation. APTA is the only association in North America that represents all modes of public transportation. APTA members serve the public interest by providing safe, efficient, and economical transit services and products. More than 90 percent of the people using public transportation in the United States and Canada ride APTA member systems.

APTA's Diversity and Inclusion Policy

APTA promotes an inclusive culture that supports and celebrates the unique attributes and perspectives of its individual members, allowing each and every person to make their fullest contribution to the industry.
